Wedding Package Descriptions

The Essential Collection | \$2675

All Strinni Studio wedding collections include a day of unlimited photography by **Maria Strinni**; **coverage time to be determined by mutual agreement between the couple and the photographer. Coverage usually starts two hours before the ceremony but can begin with the earliest pre-ceremony preparations. Coverage usually ends at the conclusion of the reception, or when the photographer is released by the bride and groom.**

Couples usually receive 800-1,500 **high-resolution images provided on flash drive and full copyrights** to print and use their photographs.

A **secure online photo gallery** will be available for viewing and purchase by you and your guests. Strinni Studio will supply tasteful gallery invitation cards for your guests to take home from the reception. A password-protected web gallery allows guests to view and order photographs one month after the wedding day.

You may add on any services, prints or albums from our a la carte menu at any time.

The Classic Collection | \$3475

Couples receive a **40-page 9x13 Wedding Storybook** with a premium cover. We will include your preferences in page, design and cover styles as we create and present to you the wedding album of your dreams. We'll select your best shots to tell the story of your day and present the design in a slideshow preview for your approval before the book is printed. Often referred to as a "coffee table album," this custom-bound book truly tells the story of your special day.

The Timeless Collection | \$4275

In addition to the **40-page 9x13 Wedding Storybook**, you receive **two 8x12 Parent Albums** with dust jacket or hardback covers. These smaller clones are exact copies of your album design and make great thank-you or holiday gifts.

a la carte

Simply Stunning Portrait Booth | \$675

A tremendous hit! Take what you know about the traditional “photo booth” offered by DJ services and amateur photographers, and forget it. We have revamped the concept with our Portrait Booth, professionally-lit and manned by our assistant photographer. We bring a snazzy backdrop and props ranging from goofy to trendy so your guests have a blast while making a memento from your big day. Our prints come in 4x6 or sets of two 2x6 strips. All these photos will be included and available in your web gallery.

Simply Stunning Portrait Guest Book | \$125

We will custom design a book with pages your guests can affix their Simply Stunning Portrait Booth print on, with space for them to sign in with advice or well wishes. Fee includes a guest book attendant to assist your guests and oversee the guest book.

Simply Stunning Portrait Strip Frames | \$1.50 per piece

Send your guests home with their photo strip in an acrylic desktop or magnet holder. These frames can double as favors and/or attractive seating assignment displays at the reception

Additional photographer | \$775

An additional photographer will accompany Maria Strinni throughout your wedding ceremony as well as your formal and candid portrait sessions (five hours maximum time). This service also ensures your time is maximized during pre-ceremony preparations and portraits as Maria captures the bride and the assistant documents the groom. This is an ideal option for late afternoon or evening weddings to ensure all your special moments are captured in a limited time.

Rehearsal dinner coverage | \$675

Full documentation of your rehearsal and rehearsal dinner will add complete coverage to your wedding weekend package.

A fee may be added for significant travel on your behalf. Travel more than two hours from our studio may require overnight lodging.

Most a la carte items can be added at any time. Please contact us as soon as possible if you are considering a Second Shooter, Portrait Station Photographer/Attendant or Rehearsal Dinner Photographer so that we may reserve appropriate staffing.

All packages and prices are subject to change at any time, but will be locked in with a signed contract and retainer.
