

Dear Exhibitor,

If you are interested in becoming a private client of The Book LLC for the balance of 2019 please complete the form below. The fee to be a client for one week of any of the shows listed below is \$500. If you would like to be a client for both weeks of Old Salem or Lake Placid, the fee is \$750. This flat fee covers the registered rider in all divisions, even if they are showing more than one horse. *We will process your payments at the end of each show.*

Private client status affords you not only the standard competition and awards photographs from the ring but also additional photo coverage of your entire horse show experience. Clients can also order prints from the event at a 50% discount from our standard rates. The Book LLC has decades of experience in capturing your horse show memories in a manner unlike any other.

Private clients will have exclusive access to their own private photo gallery on our website. Low resolution digital files are free and can be immediately downloaded and posted for your personal use. Photos are uploaded daily and may be used for personal use and on social media.

To be added to our private client list, you must commit before the first class of your division at any of the given horse shows below. Once a division has started, we can no longer make additions to our shooting list.
