

Metal Prints by Soft Illusions

Vibrant and resilient, metal prints make for eye-catching wall displays. Select from four fabrication options: glossy white, glossy silver, white satin or silver satin. Durable metal is 100% heat and water-resistant and will never fade or stain. Easy to clean; perfect for home or professional settings.

Process to order your metal print:

- Select a painting (or portion of a painting) from our **Online Image Gallery** (softillusions.net/gallery) to create a unique work of art.
- Choose the **Type** – Single panel or Multiple panels from the list below
- Choose the **Shape** – We have a plethora of shapes to choose from!
- What **Size** metal print(s) would you like?
- How would you like your print **Mounted** on the back for hanging?
- Which **Finish** would you like for you metal print?

NOTE: Metal prints are custom orders. We work closely with you to design your image prior to placing the order. Pricing available upon request.
