

Junior Dance & Martial Arts Schedule 2016-2017

Our mission is to cultivate the joy and love of movement while providing excellent training for our youngest students utilizing the 3-F philosophy: Fundamentals, Focus and Fun. We have an experienced and professional staff who understands child development and a curriculum that is playful yet designed to stimulate learning by engaging the children's minds as well as bodies. Students learn real technique while increasing strength and flexibility as they develop self-confidence as well as an increased attention span necessary for all learning.

Dress Code

Preschool & Kindergarten Ballet/Tap/Jazz/Acro

* Any type of dancewear

* Pink, leather ballet shoes (for boys-black)

* Black buckle tap shoes are required.

* Jazz shoes are not required for the jazz-acro class. We use ballet shoes for jazz at this level.

Please mark your child's shoes with his/her name. This helps us get the shoes back to the rightful owner should they accidentally get left at the studio. You also need some sort of dance bag, so that each dancer can put his/her shoes away. Please pack an extra outfit in a zip-lock baggie and keep it in your child's dance bag. Accidents happen, (even kindergarten students have them) and it helps us minimize the embarrassment if we have an outfit on hand. Please pull hair away from the face and put long hair in a ponytail.

Martial Arts:

Students must wear a uniform as well as clean athletic shoes.

Visitation Policy

We have an open-door visitation policy, which means that we do not have one particular day when all of the parents are invited in. This can be intimidating to even the most experienced of students. Instead, after the classes are established and the children are acclimated to the routine, other students, and teacher; you may ask your child's instructor and visit inside the classroom when you choose. Complete visitation guidelines are available online or at the studio. We ask that you review them before visiting.

Snow Cancellation Policy

SAVELLI'S IS NOT NECESSARILY CLOSED IN THE EVENT THAT YOUR SCHOOL SYSTEM HAS CANCELED SCHOOL. We will leave a message on our voicemail at (440)942-9300 and on our website at savellidanceandmartialarts.com should we decide to cancel classes due to bad weather. Fox 8, Channel 3 and Channel 5 will also post our closing.

Of course, if we do not cancel classes, but you feel it is too risky to drive, we certainly understand. However, due to how our classes are scheduled for the year, we cannot give our students extra make-up classes for classes that have been canceled or that they miss. You are welcome to come and make-up the class(es) in a class that is similar in age and level at your convenience. Feel free to ask about which classes can be used as make-ups.

PLEASE NOTE: There are many days that the public and private school systems have off. We still have classes on those days! Our days off are listed in our brochure. On all other days, classes are in session unless we notify you otherwise.
