

PRODUCT GUIDE

Your Family: As ART

There is **SO much more** to custom photography than just images sitting on a disc somewhere. Such value & joy exists in beautiful, professionally designed **artwork** displayed proudly in your home. We turn your memories into **ART** & offer the highest quality products on the market.

Your Family: As Art. Tell your family's story through this artwork that will last for generations.

This is just a summary of our Products. See our **PRODUCTS PAGE** at our **website** for more details & photos. WWW.MILESOFSMILESphotography.com/PRODUCTS

CANVAS

Our signature product, & client (& personal) FAVORITE! They are stunning, timeless, & they truly turn your images into ready-to-hang **ART pieces**. Printed on fine art canvas & wrapped around a 1.5 inch frame with a closed, solid backing. Incredibly well built, easy to hang with one nail, & given a durable protective finish, these are built to last a lifetime. They make an incredible statement in your home & are unlike **anything** you will find on your own.

BONUS: All Canvases purchased & Wall Display Canvases or Frames come with a FREE digital image of that pose! (\$200 value) Save BIG when buying a Wall Display (3 or more Canvases).

Sarah specializes in designing Wall Displays (3 or more canvases/frames) for her clients' homes, & can show you exactly what YOUR images will look like on YOUR exact wall(s) with her design software. Please inquire about how we can create a custom Wall Display for a special spot in your home.
