

Style Tips for your Senior Portrait

HAIR: Don't do anything drastic the day before Senior Portraits. Have your hair cut and styled at least a week before your session to make sure you like it and have time to practice with it. The best advice is to be yourself and be true to your own style. If you choose a session with unlimited clothing changes, you might want to restyle your hair a few times for variety. Put it up in a pony tail for your everyday casual look or perhaps an up-do for a high fashion, glamorous look. Come with your hair straight then curl or restyle for a new look.

MAKE-UP: Foundation is a good idea even if you don't normally wear it because it blends your skin tones and covers blemishes. Just don't over do it. You want your skin to maintain it's fresh and natural look. (Guys, If you have any blemishes, you might want to wear a little cover up too!) If you normally wear eye make-up, consider applying a little more than normal to enhance your eyes. Bring your make up along to freshen up. Let us know if you are interested in having our professional make-up artist~hair stylist jazz up your look!

FUN LEVEL: Expect to have some fun! This is an exciting time in your life and these portraits are all about YOU! The atmosphere of the studio is very low stress. Once you get here, your only job is to relax and have fun. Bring your I Pod and we'll crank up the music and have a great time celebrating your senior year!

CLOTHING: Very Important! Really, your clothing choices can make or break the portrait. Here's the scoop on the most flattering choices for portraits. Avoid busy bold patterns, stripes, graphics and words on the front of your clothing. There's a lot to be said about classic clothing that doesn't go out of style by the end of your senior year. Solid colors are really the most flattering. Take a poll and ask your friends which colors compliment you the most. Try it; you'll be surprised how the right colors make you look radiant. BUT, if your very favorite outfit in the whole world has pink stripes and orange polka dots bring it along and we'll do something funky and fun!

After all, this is your SENIOR YEAR and we want to CELEBRATE YOU!
