# Professional Prints

## **E-Surface Paper (Standard Photographic Finish) \*MOST POPULAR**

E-Surface Paper is the most popular photographic paper. Accurate color, lifelike skin tones, realistic saturation, archival quality and a traditional photo finish are just a few reasons why people love E-Surface Prints.

*Sizes Range from 3.5x5, all the way up to 24x36. Wall ets are also available*

## **Metallic Paper**

Metallic Paper uses a patented combination of film and laminate layers resulting in a striking metallic shine. Its unique pearlescent surface, ultra-bright backgrounds and smooth photo finish will make your special moments last a lifetime.

*Sizes Range from 3.5x5, all the way up to 24x30. Wall ets are also available*

## **True B&W Paper (Classic Matte Finish)**

True Black & White Paper is a panchromatic, resin-coated paper that offers rich black continuous-tone prints, avoiding any tints of color. Perfect for all of your black and white shots, this matte photo paper creates beautiful prints that with 100 year archival quality.

*Sizes Range from 3.5x5, all the way up to 24x30. Wall ets are also available*

## **Print Finishing Add on Options:**

### **Lustre Coating**
